# Easter tradition at Lorne

This day has produced some great highlights, can today join the list?

Welcome all to one of the great days on the CDFNL calendar, and well done to the Lorne and Alvie FNC for coming together and organising this great day. We've had some great memories over the years with Apollo Bay and Birregurra, being previous clubs playing on this day, before Alvie joined the party.

Who could forget that famous smother and follow up goal by Steven Oliver in 2015, which led to Lorne winning a thriller over Birregurra.

In 2016, Birregurra were 40 points down at the final change, and stormed home to win by a point, after big Matt 'Tree' McCormack spotted a goal from 70 metres out.

In 2019, scores were level in the final term, but the Dolphins booted the last three goals to charge home over the Saints, with George Steven producing a masterclass effort in the middle.

Last year, Alvie kicked point

after point, in the final term and just couldn't kick a major to sneak home. It was another famous moment, with Lewie Hollmer booting a point with seconds to go to score Lorne a

thrilling one point victory.

Hopefully today, we'll get another memorable moment or two.

/// **Round 1, 2013** - THE FIRST EASTER SATURDAY BATTLE AT LORNE.

# Lorne won the game, but lost the points

Lorne dominated the first-ever Easter Saturday battle, but all the hard work was for nothing. A jam-packed Stribling Reserve, saw Coastal Cup - rivals Lorne and Apollo Bay open the 2013 season and play in the first Easter Saturday clash at Lorne.

The Dolphins started strongly from the word go, with Luke Norton kicking four first-half goals. Ross Waters dominated in the middle of the ground, kicking 3 goals.

Lorne would win the match by 65 points, but later found they had played an unregistered player, resulting in the Dolphins losing the four points. It mattered little though, as Lorne went onto win the premiership, while Apollo Bay finished in the top three on the ladder.

## Premiership sides

Lorne have been an undisputed powerhouse in the CDFNL, since they entered the league in 1971. We rank and compare two dominant seasons - 2013 and 2019.

Words **MAX BLAKE**.

## 2013

In 2013, Lorne were avenging their heartbreaking 2012 Grand Final loss to Forrest. They appointed local star, Brock Sheils as coach, welcomed back Lewis Hollmer, Jaxson Barham, Che Turner and Tom Steven. From get-go the Dolphins dominated the season, suffering just the one loss,

*(on the scoreboard anyway! - Check out our classic matches story on page 4)* in the middle of the season against the Colac Imperials, but that win sparked them into further dominance, which saw them go onto winning the premiership.

They averaged 105 points per game and finished with a

massive percentage of 228.38.

Their highest score was 30.22 (202) v Otway Districts in Round 2.

Luke Norton kicked 58 goals, which topped the league's goal kicking that season, while Lewis Hollmer kicked 54 goals, on his way to winning the Mahoney Medal (League B & F).

### 2013 CDFNL GRAND FINAL

## 2019

In 2019, *(our last premiership awarding year)* the Dolphins were aiming to go back-to-back. Local star, Jackson Hollmer took over from Sam Stavenuiter. After an up and down start to the season, which saw the Dolphins

lose a couple of close games. When it came time for Lorne to flex their muscles, they rose to the occasion, producing one of the most dominate Grand Final displays of the past decade. They averaged 107 points per

game. Their highest score of the season was 22.23 (155) v Otway Districts in Round 5. Lewis Hollmer booted 75 goals for the season (2nd in the league goal kicking), and Tom King booting 41 goals.

## THE KEY MATCH-UP BATTLES

### LEE HOLLMER (2013) v MARK McCORMACK (2019)

No doubt this debate would rage on in the clubrooms most seasons, down at the Pod. But, for the two blokes in their respective seasons - big 'Chip' would get the points here. Mark's ability at the ground level was amazing in his peak. While in 2013, Lee was on the verge of his playing career, and amazingly, he played the season without an injury. The two have been absolute warriors for the Lorne FNC.

### LUKE NORTON (2013) v RICHARD WHITE/JAMES FRIEL (2019)

Luke was a marking machine in 2013. He took some absolute hangers and was a reliable kick. I don't think the two key defenders, Richard or James would be able to stop Luke, who was in his absolute peak form in 2013. But, they also had Lewis Hollmer to deal with as well.

### JAXSON BARHAM (2013) v MITCH McKEE (2019)

This would have been a great battle to see. Both have explosive pace and a killer kick. McKee was one of the best left foot midfielders I've seen that has come to the league. He was the perfect mid-season recruit that the Dolphins needed in 2019, and I reckon he would win this battle against the former Collingwood star.

### RYAN EVANS (2013) v SEAN SMARTT (2019)

No doubt these two would have locked horns in the training park in their match sims. Ryan, was an amazing small forward with a really great ability to take contested marks and was a dead-eye in front of the goals. I think he would've had the edge on Sean in this battle.

### BOE TRICKEY (2013) v TOM KING (2019)

I reckon Boe would have got the job done against Tom in this duel. Again, this would've been a great head-to-head contest. Tom, was an amazing young talent, who was an absolute dead-eye at any angle in front of the goals. But, Boe was an excellent defender, who had a great ability to run-off his man and rebound the ball outside his defensive 50.

## WHO WINS?

### 2013 v 2019

Lorne's 2013 season was the best I've seen in my time covering the CDFNL - that includes seeing the Irrewarra-Beeac, Simpson and Birregurra dominate eras. The Dolphins just had winners everywhere.

Veteran Swan returns,  
**LEVI DARE**

# BACK WHERE IT ALL BEGAN

**Levi Dare** re-joined Alvie late last season to play along with his brothers. It's shaping as a very positive move for him and the club in 2022.

Words **MAX BLAKE**.

**“It’s (Alvie) still got that great family club vibe that it’s always had. The senior players seem a lot younger now than they did when I was the 15-year-old running out... ” - LEVI DARE**

**MAX BLAKE:** It’s great to have a player of your calibre back in the CDFNL. How have you found your short time back in the league so far?

**LEVI DARE:** It’s been great just to be back at the club where I started, and obviously to be able to be out there with my brothers just tops it off.

**MAX:** You’ve coached a few teams during your footy journey, and had a few coaches yourself. How are you finding it, playing under your brother?

**LEVI:** Joe is very good at what he does. When he speaks, everyone listens. I was fortunate enough to see him play his best footy. He always had the ability to read the game better than anyone else, and he has that same ability as a coach.

**MAX:** How have you found the standard of the league?

**LEVI:** The two games we’ve had to start this year have been quite good. Both ‘Warra and South have quality players that have played higher levels of football, which certainly elevates the standard, when you’ve had that experience.

**MAX:** How were the nerves when Mick Embrey had that shot on the siren last week?

**LEVI:** ‘Magic’ is a good player and has been for a long time. You’d probably back him in to kick it. I actually stood the mark, and he shanked it off the boot. It looked certain to be a point, but it started to swing back in the last few metres of flight. Lucky for us, it just clipped the top of the post.

**MAX:** You and ‘Magic’ were teammates in Colac’s only GFL flag, almost a decade ago. Can you believe it’s been that long? Do you have many memories from that day?

**LEVI:** It’s hard to believe that it’s closing in on 10 years since the flag with Colac. Plenty of memories of the day, and the season leading up to it. The thing for me looking back, is that it was a team of local guys. The majority of which had come up playing with and against each other in the CDFNL. That also came together to be the best team in country football. The standard of the GFL in 2014 was arguably the best that country football has seen. Also, to be able to share that with my brother, Joe was pretty special.

**MAX:** Max: What ultimately got you back to playing at Alvie?

**LEVI:** Ultimately, it was just the chance to play with my brothers back at the club, where I played my junior footy.

## Veteran Swan returns, LEVI DARE

**MAX: What's the club like now, compared to when you were a junior?**

**LEVI:** It's still got that great family club vibe that it's always had. The senior players seem a lot younger now than they did when I was the 15-year-old running out. But, it's great to see a lot of those guys are still involved in the club.

**MAX: Is this your last dance, or do you think you have plenty of footy still left in you?**

**LEVI:** For me, it's always been a competitive thing. The day I no longer have that drive to get out there and compete, and give everything on the day to help the team win, is the day I'll hang them up. But, right now I still love the contest as much as ever.

**MAX: You've played in some big games, but this weekend at a packed Lorne will be a ripper. Are you looking forward to the challenge? When was the last time you played down at Stribling Reserve?**

**LEVI:** Yes, I think as a club we are very much looking forward to the challenge of taking on a strong Lorne outfit on their home turf. The last time I played down there, was one of my last games for Alvie, in early 2006, before I crossed to Colac. As I was part of the Geelong Falcons, they'd requested I play some GFL footy, so they could get a better look at my game.

**MAX: One last one... and it's a cracker! Who's the best Dare boy at cricket, and the best at footy?**

**LEVI:** Lincoln will argue this one to death, but if you take all of us at our peaks, we don't get close to Joe's ability. He's the best I've played with - in probably both sports. Some of the things he did at Cobden in 2012, when he won the league medal for the HFNL,

I've not seen anyone match. It's a shame the guys he coaches now never got to see it. In cricket, he won three straight league medals, and never trained once. He just turned up and played. So, I don't think there's much arguing there. ■

## VALE KFM

We are truly saddened by the news that we have lost one of our favourites,

**Kevin Murphy** (KFM).

We got to know Kev, through his amazing volunteer work he did with Lorne FNC. We would dub him as their CEO, and he became really good friends with the broadcast team.

Every Lorne broadcast, Kev

would come up to us pre-game with the team sheets and inform us of how good of a job he did with the lines he painted on the ground. He'd go through his report on how Lorne are faring, and then we'd do it all again in the post-game, with his analysis of the game.

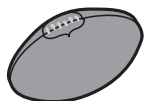

Win, lose or draw, Kev wouldn't say a bad word against his beloved Dolphins. He'd just say,

"If they'd kick more goals today, they would've won."

We awarded Kev with our Volunteer of the Year award, in 2019, and we think it really should be named after him. If you look up the definition of Local Footy Club Volunteer, Kev's name would be there. We're going to miss this legend! RIP Murphy..

EASTER

## EASTER BLOCKBUSTER BATTLE

Lorne and Alvie have set-up a blockbuster stand-alone encounter.

### > EASTER SATURDAY - PREVIEW

Easter Saturday,  
9th April

2pm, Stribling Recreation Reserve

#### > LORNE v ALVIE

Both sides have done their best to set this game up to blockbuster status, by winning their opening two games of the season.

Alvie have once again proven they are a serious premiership contender, defeating Irrewarra-Beeac (3rd in 2021) on Opening Day and South Colac (2nd in 2021), last weekend. All three Dare boys have been on fire early. Levi dominating in the ruck, while Lincoln (The Patrick Cripps of the CDFNL) is dominating in the middle and Dom already kicking 12 goals for the season and dominating the forward 50.

How will Lorne stop these guys? If they can somehow find a way to do so, the Swans bat deep and have other guns running around.

The Dolphins were impressive in their win against Irrewarra-Beeac, last weekend in their first home game

since May, last year. Former Colac Tiger star, Alex Adams has taken over the reins and has recruited strongly.

Today, will be an exciting time to see how Lorne fronts up against a really good side.

Oscar Barter 4

## > PLAYER TO WATCH

**Oscar Barter** (Alvie #9) - Has been a super recruit for Alvie, so far. An absolute livewire up forward, who can take a big grab in the air, but also is excellent at ground level. He's booted two goals in each match this season, and today he should enjoy a few more.

## > THE WORTH OF PRICE OF ADMISSION MATCH-UP

**James Hughes** (Lorne) v **Andre Delorenzo** (Alvie)

Lorne forward, **James Hughes** booted four goals last week, and will be a key factor today. But **Andre Delorenzo** will be keen to stop him, after a successful return to the field last week. He'll be keen to stop any Dolphin key forward.

## > THE "AJ BRADY" STAT

Alvie's last loss, was this game last year - Round 1, 2021. They lost by one-point, after **Lewis Hollmer** put the Dolphins in front with seconds to go.

## > I TIPPED THIS!... THE BIG PREDICTION

**Dom Dare** (Alvie) to kick 4 goals, 7 behinds.

## > PREDICTION

ALVIE by 12 points. Alvie to start well and Lorne to come from the clouds to almost snatch it.

# Open premiership

The first two weeks of the season has seen some surprising results.

**W**hat a start to the 2022 season! We've already seen some surprising results, but the one great thing across the 10 A Grade games played so far, has been the small margins. We're yet to see a serious one-sided game which makes for such an even and open competition.

Today, we thank the Lorne and Alvie FNC for coming together and putting on what promises to be a fantastic day for local sport.

The netball facilities now at Lorne are absolutely world-class, and will help their program build over the years.

Good luck to all girls playing today!

EASTER

## VIRTUAL 4 POINTS

Lorne and Alvie will attempt to get their first wins for season 2022.

### > EASTER SATURDAY - PREVIEW

Easter Saturday,  
9th April

2pm, Stribling Recreation Reserve

#### > LORNE v ALVIE

It's hard to imagine after Alvie's complete dominance over the last two seasons, that two rounds in of the new season, the champs are winless and sitting eighth on the ladder. No doubt, nobody is willing to write them off. You'd be a fool to do so.

Today, however is a huge opportunity for the Swans to strike back. Lorne have been very competitive in their opening two games, losing by six goals to Otway Districts in Round 1 and last week going down to Irrewarra-Beeac by nine goals.

This season is already shaping up as a really even one across the board, with our 10 teams, so today's result is huge for both sides.

**LORNE** - 9th - 0 Wins, 2 Loses - 82.36%

**ALVIE** - 8th - 0 Wins, 1 Loss, 1 Draw - 85.71%

## >SEASON 2022 SO FAR...

**AVERAGE SCORES - FOR PER GAME** - Lorne 35 Alvie 42

**AVERAGE SCORES - AGAINST PER GAME** - Lorne 43 Alvie 49

### LEADING GOAL SCORERS

**Lorne** - Jessica Crocker 29

Zara Hinss 22

Hannah Keane 19

**Alvie** - Georgia Robinson 39

Jaymie Lowe 39

Rose Barrow 6

## >PLAYER TO WATCH

**Hannah Keane** (Lorne) - Hannah topped the scoring for the Dolphins last weekend with 19 goals, and will be keen to produce a bigger tally today, against a really tough defence. If she can get on top, it will help her side get over the line.

## >THE KEY MATCH-UP

**Jessica Crocker** (Lorne) v **Chelsea Hillman** (Alvie)

A big battle in the Lorne attack looms large today, with the Crocker-Keane duo. Alvie has given up some big scores already this season and will be need to find a way to stop Lorne's gun goal shooters today.

## >BIGGEST WINNER/BIGGEST LOSER...

It will be a massive win for **Lorne** today, if they can get up. They've been close on two occasions this season, but failed to win. However, if they can defeat the champions of the CDFNL, it will go a long way to their rise up the ladder this year.

Meanwhile if **Alvie** were to lose today, questions will be start to be asked. Are they no longer a flag threat, but a finals threat?

## >I TIPPED THIS!... THE BIG PREDICTION

**Georgia Robinson** (Alvie) was back in form last weekend, and will be keen to have a big day out today. She'll score 35+.

## >PREDICTION

**ALVIE** by 5 points. The Swans are too proud a team and should bounce back to win.
